

TREASURE COAST INTERNATIONAL
FILM SOCIETY, INC.

A Letter To Our Friends

The Treasure Coast International Film Society is a 501c3 non-profit organization dedicated to independent filmmakers, the cinematic arts and education, and cultural representation on the Treasure Coast.

Since 2006, filmmakers and their production crews have been honored and celebrated at our annual film festival, where films of artistic excellence and cultural importance have been screened and awarded in our community. Local and international filmmakers, as well as participating pass holders, enjoy exclusive parties, mixers, and receive access to educational seminars hosted by industry leaders and standout professionals in the film business.

Now, in its 16th year of operation and in addition to the annual film festival activities – which includes networking opportunities, musical performances, artist meet and greets, and Q&A panels – the TCI Film Society is extending its programming to include workshops, community showcases and film series, as well as year-round social mixers and celebrations. Through these additional offers, local filmmakers and film enthusiasts will find greater connections to the cinematic arts and the film industry.

All of this, and more, is made possible with your help.

We are seeking your support as a sponsor to make all this happen and continue offering opportunities for filmmakers on the Treasure Coast. Please view the sponsorship opportunity table and select an opportunity that's a good fit for you to help us in our mission.

Your sponsorship support reflects a commitment to our community of cinema artists and helps provide resources and opportunities to local community members and students interested in the film industry.

On behalf of them and members of the Treasure Coast arts community, *thank you.*

Forever grateful,

Joe Garofalo
Joe Garofalo, Executive Director
